

Join a Research Study:

EXPLORING END OF LIFE EXPERIENCES IN DIVERSE COMMUNITIES

If you served as a caregiver to a parent at the end of their lives, we want to hear about your experience. The goal of this study is to improve future programs & develop resources to better support families during these times.

You may be eligible to participate if you:

- Are 50 years of age or older
- Identify as Black or White
- Cared for a parent who died within the last 10 years
- Were present for, or assisted with, your parent's medical decisions
- Live in NYC, Long Island, or Hudson Valley

Participation involves:

- A 1-2 hour interview (over phone or video call).
- Answering questions about your experience being a caregiver, your interactions with the healthcare team & thoughts on end of life topics.
- Compensation is provided.
