

The Medical Aid in Dying Act is still pending in both houses of the NYS Legislature, A. 4321-A (Paulin), and S. 6471 (Savino). Please consider calling the legislative offices of the Assembly Health Committee. A list of the committee is below (courtesy of Compassion & Choices). If they are already a sponsor you can thank them for their support and urge them to make the bill a priority. If not yet a sponsor, urge them to sponsor the bill and explain why it is important to you. You will probably only be able to speak with a staff person. However, these phone calls do make a difference and can be influential as they are counted on pending legislation.

Note: this list is current as of March 10, 2022.
