1 **2899-p. Death certificate.**

2 **2899-q. Reporting.**

3 **2899-r. Penalties.**

4 **2899-s. Severability.**

5 **§ 2899-d. Definitions. As used in this article:**

6 **1. "Adult" means an individual who is eighteen years of age or older.**

7 2. "Attending physician" means the physician who has primary responsi-  
8 bility for the care of the patient and treatment of the patient's termi-  
9 nal illness or condition.

10 3. "Capacity" means the ability to understand and appreciate the  
11 nature and consequences of health care decisions, including the benefits  
12 and risks of and alternatives to any proposed health care, including  
13 medical aid in dying, and to reach an informed decision.

14 4. "Consulting physician" means a physician who is qualified by  
15 specialty or experience to make a professional diagnosis and prognosis  
16 regarding a person's terminal illness or condition.

17 5. "Health care facility" means a general hospital, nursing home, or  
18 residential health care facility as defined in section twenty-eight  
19 hundred one of this chapter, or a hospice as defined in section four  
20 thousand two of this chapter; provided that for the purposes of section  
21 twenty eight hundred ninety-nine-m of this article, "hospice" shall  
22 refer only to a facility providing in-patient hospice care or a hospice  
23 residence.

24 6. "Health care provider" means a person licensed, certified, or  
25 authorized by law to administer health care or dispense medication in  
26 the ordinary course of business or practice of a profession.

27 7. "Informed decision" means a decision by a patient who is suffering  
28 from a terminal illness or condition to request and obtain a  
29 prescription for medication that the patient may self-administer to end  
30 the patient's life that is based on an understanding and acknowledgment  
31 of the relevant facts and that is made voluntarily, of the patient's own  
32 volition and without coercion, after being fully informed of:

33 (a) the patient's medical diagnosis and prognosis;

34 (b) the potential risks associated with taking the medication to be  
35 prescribed;

36 (c) the probable result of taking the medication to be prescribed;  
37 (d) the possibility that the patient may choose not to obtain the  
38 medication, or may obtain the medication but may decide not to self-ad-  
39 minister it; and  
40 (e) the feasible alternatives and appropriate treatment options,  
41 including but not limited to palliative care and hospice care.

42 8. "Medical aid in dying" means the medical practice of a physician  
43 prescribing medication to a qualified individual that the individual may  
44 choose to self-administer to bring about death.

45 9. "Medically confirmed" means the medical opinion of the attending  
46 physician that a patient has a terminal illness or condition and has  
47 made an informed decision which has been confirmed by a consulting  
48 physician who has examined the patient and the patient's relevant  
49 medical records.

50 10. "Medication" means medication prescribed by a physician under this  
51 article.

52 11. "Mental health professional" means a licensed physician, who is a  
53 diplomate or eligible to be certified by a national board of psychiatry,  
54 psychiatric nurse practitioner, or psychologist, licensed or certified  
55 under the education law acting within his or her scope of practice and  
56 who is qualified, by training and experience, certification, or board

A. 4321

3

1 certification or eligibility, to make a determination under section  
2 twenty-eight hundred ninety-nine-i of this article.

3 12. "Palliative care" means health care treatment, including interdis-  
4 ciplinary end-of-life care, and consultation with patients and family  
5 members, to prevent or relieve pain and suffering and to enhance the  
6 patient's quality of life, including hospice care under article forty of

7 this chapter.

8 13. "Patient" means a person who is eighteen years of age or older  
9 under the care of a physician.

10 14. "Physician" means an individual licensed to practice medicine in  
11 New York state.

12 15. "Qualified individual" means a patient with a terminal illness or  
13 condition, who has capacity, has made an informed decision, and has  
14 satisfied the requirements of this article in order to obtain a  
15 prescription for medication.

16 16. "Self-administer" means a qualified individual's affirmative,  
17 conscious, and voluntary act of using medication under this article.

18 17. "Terminal illness or condition" means an incurable and irrevers-  
19 ible illness or condition that has been medically confirmed and will,  
20 within reasonable medical judgment, produce death within six months.

21 § 2899-e. Request process. 1. Oral and written request. A patient  
22 wishing to request medication under this article shall make an oral  
23 request and submit a written request to the patient's attending physi-  
24 cian.

25 2. Making a written request. A patient may make a written request for  
26 and consent to self-administer medication for the purpose of ending his  
27 or her life in accordance with this article if the patient:

28 (a) has been determined by the attending physician to have a terminal  
29 illness or condition and which has been medically confirmed by a  
30 consulting physician; and

31 (b) based on an informed decision, expresses voluntarily, of the  
32 patient's own volition and without coercion the request for medication  
33 to end his or her life.

34 3. Written request signed and witnessed. (a) A written request for  
35 medication under this article shall be signed and dated by the patient

36 and witnessed by at least two adults who, in the presence of the  
37 patient, attest that to the best of his or her knowledge and belief the  
38 patient has capacity, is acting voluntarily, is making the request for  
39 medication of his or her own volition and is not being coerced to sign  
40 the request. The written request shall be in substantially the form  
41 described in section twenty-eight hundred ninety-nine-k of this article.

42 **(b) One of the witnesses shall be an adult who is not:**

43 **(i) a relative of the patient by blood, marriage or adoption;**

44 **(ii) a person who at the time the request is signed would be entitled**  
45 **to any portion of the estate of the patient upon death under any will or**  
46 **by operation of law; or**

47 **(iii) an owner, operator, employee or independent contractor of a**  
48 **health care facility where the patient is receiving treatment or is a**  
49 **resident.**

50 **(c) The attending physician, consulting physician and, if applicable,**  
51 **the mental health professional who provides a capacity determination of**  
52 **the patient under this article shall not be a witness.**

53 **4. No person shall qualify for medical aid in dying under this article**  
54 **solely because of age or disability.**

55 **5. Requests for a medical aid-in-dying prescription must be made by**  
56 **the qualified individual and may not be made by any other individual,**

A. 4321

4

1 **including the qualified individual's health care agent, or other agent**  
2 **or surrogate, or via advance healthcare directive.**

3 **§ 2899-f. Attending physician responsibilities. 1. The attending**  
4 **physician shall examine the patient and his or her relevant medical**  
5 **records and:**

6 **(a) make a determination of whether a patient has a terminal illness**

7 or condition, has capacity, has made an informed decision and has made  
8 the request voluntarily of the patient's own volition and without coer-  
9 cion;

10 (b) inform the patient of the requirement under this article for  
11 confirmation by a consulting physician, and refer the patient to a  
12 consulting physician upon the patient's request;

13 (c) refer the patient to a mental health professional pursuant to  
14 section twenty-eight hundred ninety-nine-i of this article if the  
15 attending physician believes that the patient may lack capacity to make  
16 an informed decision;

17 (d) provide information and counseling under section twenty-nine  
18 hundred ninety-seven-c of this chapter;

19 (e) ensure that the patient is making an informed decision by discuss-  
20 ing with the patient: (i) the patient's medical diagnosis and prognosis;  
21 (ii) the potential risks associated with taking the medication to be  
22 prescribed; (iii) the probable result of taking the medication to be  
23 prescribed; (iv) the possibility that the patient may choose to obtain  
24 the medication but not take it; (v) the feasible alternatives and appro-  
25 priate treatment options, including but not limited to (1) information  
26 and counseling regarding palliative and hospice care and end-of-life  
27 options appropriate to the patient, including but not limited to: the  
28 range of options appropriate to the patient; the prognosis, risks and  
29 benefits of the various options; and the patient's legal rights to  
30 comprehensive pain and symptom management at the end of life; and (2)  
31 information regarding treatment options appropriate to the patient,  
32 including the prognosis, risks and benefits of the various treatment  
33 options;

34 (f) offer to refer the patient for other appropriate treatment  
35 options, including but not limited to palliative care and hospice care;

36 (g) discuss with the patient the importance of:  
37 (i) having another person present when the patient takes the medica-  
38 tion and the restriction that no person other than the patient may  
39 administer the medication;  
40 (ii) not taking the medication in a public place; and  
41 (iii) informing the patient's family of the patient's decision to  
42 request and take medication that will end the patient's life; a patient  
43 who declines or is unable to notify family shall not have his or her  
44 request for medication denied for that reason;  
45 (h) inform the patient that he or she may rescind the request for  
46 medication at any time and in any manner;  
47 (i) fulfill the medical record documentation requirements of section  
48 twenty-eight hundred ninety-nine-j of this article; and  
49 (j) ensure that all appropriate steps are carried out in accordance  
50 with this article before writing a prescription for medication.

51 2. Upon receiving confirmation from a consulting physician under  
52 section twenty-eight hundred ninety-nine-h of this article and subject  
53 to section twenty-eight hundred ninety-nine-i of this article, the  
54 attending physician who determines that the patient has a terminal  
55 illness or condition, has capacity and has made a voluntary request for  
56 medication as provided in this article, may personally, or by referral

A. 4321

5

1 to another physician, prescribe or order appropriate medication in  
2 accordance with the patient's request under this article, and at the  
3 patient's request, facilitate the filling of the prescription and deliv-  
4 ery of the medication to the patient.

5 3. In accordance with the direction of the prescribing or ordering  
6 physician and the consent of the patient, the patient may self-adminis-

7 ter the medication to himself or herself. A health care professional or  
8 other person shall not administer the medication to the patient.

9 § 2899-g. Right to rescind request; requirement to offer opportunity  
10 to rescind. 1. A patient may at any time rescind his or her request for  
11 medication under this article without regard to the patient's capacity.

12 2. A prescription for medication may not be written without the  
13 attending physician offering the qualified individual an opportunity to  
14 rescind the request.

15 § 2899-h. Consulting physician responsibilities. Before a patient who  
16 is requesting medication may receive a prescription for medication under  
17 this article, a consulting physician must:

18 1. examine the patient and his or her relevant medical records;

19 2. confirm, in writing, to the attending physician and the patient,

20 whether: (a) the patient has a terminal illness or condition; (b) the

21 patient is making an informed decision; (c) the patient has capacity, or

22 provide documentation that the consulting physician has referred the

23 patient for a determination under section twenty-eight hundred ninety-

24 nine-i of this article; and (d) the patient is acting voluntarily, of

25 the patient's own volition and without coercion.

26 § 2899-i. Referral to mental health professional. 1. If the attending

27 physician or the consulting physician determines that the patient may

28 lack capacity to make an informed decision due to a condition, includ-

29 ing, but not limited to, a psychiatric or psychological disorder, or

30 other condition causing impaired judgement, the attending physician or

31 consulting physician shall refer the patient to a mental health profes-

32 sional for a determination of whether the patient has capacity to make

33 an informed decision. The referring physician shall advise the patient

34 that the report of the mental health professional will be provided to

35 the attending physician and the consulting physician.

36 2. A mental health professional who evaluates a patient under this  
37 section shall report, in writing, to the attending physician and the  
38 consulting physician, his or her independent conclusions about whether  
39 the patient has capacity to make an informed decision, provided that if,  
40 at the time of the report, the patient has not yet been referred to a  
41 consulting physician, then upon referral the attending physician shall  
42 provide the consulting physician with a copy of the mental health  
43 professional's report. If the mental health professional determines that  
44 the patient lacks capacity to make an informed decision, the patient  
45 shall not be deemed a qualified individual, and the attending physician  
46 shall not prescribe medication to the patient.

47 3. A determination made pursuant to this section that an adult patient  
48 lacks decision-making capacity shall not be construed as a finding that  
49 the patient lacks capacity for any other purpose.

50 § 2899-j. Medical record documentation requirements. An attending  
51 physician shall document or file the following in the patient's medical  
52 record:

53 1. the dates of all oral requests by the patient for medication under  
54 this article;

A. 4321

6

1 2. the written request by the patient for medication under this arti-  
2 cle, including the declaration of witnesses and interpreter's declara-  
3 tion, if applicable;

4 3. the attending physician's diagnosis and prognosis, determination of  
5 capacity, and determination that the patient is acting voluntarily, of  
6 the patient's own volition and without coercion, and has made an  
7 informed decision;

8 4. if applicable, written confirmation of capacity under section twen-

9 ty-eight hundred ninety-nine-i of this article; and  
10 5. a note by the attending physician indicating that all requirements  
11 under this article have been met and indicating the steps taken to carry  
12 out the request, including a notation of the medication prescribed or  
13 ordered.

14 § 2899-k. Form of written request and witness attestation. 1. A  
15 request for medication under this article shall be in substantially the  
16 following form:

17 REQUEST FOR MEDICATION TO END MY LIFE

18 I, \_\_\_\_\_, am an adult who has capacity,  
19 which means I understand and appreciate the nature and consequences of  
20 health care decisions, including the benefits and risks of and alterna-  
21 tives to any proposed health care, and to reach an informed decision and  
22 to communicate health care decisions to a physician.

23 I have been diagnosed with \_\_\_\_\_ (insert diagnosis), which my  
24 attending physician has determined is a terminal illness or condition,  
25 which has been medically confirmed by a consulting physician.

26 I have been fully informed of my diagnosis and prognosis, the nature  
27 of the medication to be prescribed and potential associated risks, the  
28 expected result, and the feasible alternatives and treatment options  
29 including but not limited to palliative care and hospice care.

30 I request that my attending physician prescribe medication that will  
31 end my life if I choose to take it, and I authorize my attending physi-  
32 cian to contact another physician or any pharmacist about my request.

33 INITIAL ONE:

34 ( ) I have informed or intend to inform one or more members of my  
35 family of my decision.

36 ( ) I have decided not to inform any member of my family of my deci-  
37 sion.

38 ( ) I have no family to inform of my decision.

39 I understand that I have the right to rescind this request or decline  
40 to use the medication at any time.

41 I understand the importance of this request, and I expect to die if I  
42 take the medication to be prescribed. I further understand that although  
43 most deaths occur within three hours, my death may take longer, and my  
44 attending physician has counseled me about this possibility.

45 I make this request voluntarily, of my own volition and without being  
46 coerced, and I accept full responsibility for my actions.

47 Signed: \_\_\_\_\_

48 Dated: \_\_\_\_\_

49 DECLARATION OF WITNESSES

14 operator, employee or independent contractor of a health care facility  
15 where the patient is receiving treatment or is a resident; provided that  
16 an employee or independent contractor whose job description at the  
17 health care facility includes interpreter services or who is trained to  
18 provide interpreter services and who has been requested by the patient  
19 to serve as an interpreter under this article shall not be prohibited  
20 from serving as a witness under this article.

21 § 2899-l. Protection and immunities. 1. A physician, pharmacist, other  
22 health care professional or other person shall not be subject to civil  
23 or criminal liability or professional disciplinary action by any govern-  
24 ment entity for taking any reasonable good-faith action or refusing to  
25 act under this article, including, but not limited to: (a) engaging in  
26 discussions with a patient relating to the risks and benefits of end-of-  
27 life options in the circumstances described in this article, (b) provid-  
28 ing a patient, upon request, with a referral to another health care  
29 provider, (c) being present when a qualified individual self-administers  
30 medication, (d) refraining from acting to prevent the qualified individ-  
31 ual from self-administering such medication, or (e) refraining from  
32 acting to resuscitate the qualified individual after he or she self-ad-  
33 ministers such medication.

34 2. Nothing in this section shall limit civil or criminal liability for  
35 negligence, recklessness or intentional misconduct.

36 § 2899-m. Permissible refusals and prohibitions. 1. (a) A physician,  
37 nurse, pharmacist, other health care provider or other person shall not  
38 be under any duty, by law or contract, to participate in the provision  
39 of medication to a patient under this article.

40 (b) If a health care provider is unable or unwilling to participate in  
41 the provision of medication to a patient under this article and the  
42 patient transfers care to a new health care provider, the prior health  
43 care provider shall transfer or arrange for the transfer, upon request,  
44 of a copy of the patient's relevant medical records to the new health  
45 care provider.

46 2. (a) A private health care facility may prohibit the prescribing,  
47 dispensing, ordering or self-administering of medication under this  
48 article while the patient is being treated in or while the patient is  
49 residing in the health care facility if:

A. 4321                      10

1 (i) the prescribing, dispensing, ordering or self-administering is  
2 contrary to a formally adopted policy of the facility that is expressly  
3 based on sincerely held religious beliefs or moral convictions central  
4 to the facility's operating principles; and

5 (ii) the facility has informed the patient of such policy prior to  
6 admission or as soon as reasonably possible.

7 (b) Where a facility has adopted a prohibition under this subdivision,  
8 if a patient who wishes to use medication under this article requests,  
9 the patient shall be transferred promptly to another health care facili-  
10 ty that is reasonably accessible under the circumstances and willing to  
11 permit the prescribing, dispensing, ordering and self-administering of  
12 medication under this article with respect to the patient.

13 3. Where a health care facility has adopted a prohibition under this

14 subdivision, any health care provider or employee or independent  
15 contractor of the facility who violates the prohibition may be subject  
16 to sanctions otherwise available to the facility, provided the facility  
17 has previously notified the health care provider, employee or independ-  
18 ent contractor of the prohibition in writing.

19 § 2899-n. Relation to other laws and contracts. 1. (a) A patient who  
20 requests medication under this article shall not, because of that  
21 request, be considered to be a person who is suicidal, and self-adminis-  
22 tering medication under this article shall not be deemed to be suicide,  
23 for any purpose.

24 (b) Action taken in accordance with this article shall not be  
25 construed for any purpose to constitute suicide, assisted suicide,  
26 attempted suicide, promoting a suicide attempt, euthanasia, mercy kill-  
27 ing, or homicide under the law, including as an accomplice or accessory  
28 or otherwise.

29 2. (a) No provision in a contract, will or other agreement, whether  
30 written or oral, to the extent the provision would affect whether a  
31 person may make or rescind a request for medication or take any other  
32 action under this article, shall be valid.

33 (b) No obligation owing under any contract shall be conditioned or  
34 affected by the making or rescinding of a request by a person for medi-  
35 cation or taking any other action under this article.

36 3. (a) A person and his or her beneficiaries shall not be denied bene-  
37 fits under a life insurance policy for actions taken in accordance with  
38 this article.

39 (b) Notwithstanding the provisions of any law or contract, the sale,  
40 procurement or issuance of a life or health insurance or annuity policy,  
41 or the rate charged for a policy, shall not be conditioned upon or  
42 affected by a patient making or rescinding a request for medication

43 under this article.

44 4. An insurer shall not provide any information in communications made  
45 to a patient about the availability of medication under this article  
46 absent a request by the patient or by his or her attending physician  
47 upon the request of such patient. Any communication shall not include  
48 both the denial of coverage for treatment and information as to the  
49 availability of medication under this article.

50 5. The sale, procurement, or issue of any professional malpractice  
51 insurance policy or the rate charged for the policy shall not be condi-  
52 tioned upon or affected by whether the insured does or does not take or  
53 participate in any action under this article.

54 § 2899-o. Safe disposal of unused medications. A person who has  
55 custody or control of any unused medication prescribed under this arti-  
56 cle after the death of the qualified individual shall personally deliver

A. 4321

11

1 the unused medication for disposal to the nearest qualified facility  
2 that properly disposes of controlled substances or shall dispose of it  
3 by lawful means in accordance with regulations made by the commissioner,  
4 regulations made by or guidelines of the commissioner of education, or  
5 guidelines of a federal drug enforcement administration approved take-  
6 back program. A qualified facility that properly disposes of controlled  
7 substances shall accept and dispose of any medication delivered to it as  
8 provided hereunder regardless of whether such medication is a controlled  
9 substance. The commissioner may make regulations as may be appropriate  
10 for the safe disposal of unused medications prescribed, dispensed or  
11 ordered under this article as provided in this section.

12 § 2899-p. Death certificate. 1. If otherwise authorized by law, the  
13 attending physician may sign the qualified individual's death certif-

14 icate.

15 2. The cause of death listed on a qualified individual's death certif-  
16 icate who dies after self-administering medication under this article  
17 will be the underlying terminal illness or condition.

18 § 2899-q. Reporting. 1. The commissioner shall annually review a  
19 sample of the records maintained under sections twenty-eight hundred  
20 ninety-nine-j and twenty-eight hundred ninety-nine-p of this article.  
21 The commissioner shall adopt regulations establishing reporting require-  
22 ments for physicians taking action under this article to determine  
23 utilization and compliance with this article. The information collected  
24 under this subdivision shall not constitute a public record available  
25 for public inspection and shall be confidential and collected and main-  
26 tained in a manner that protects the privacy of the patient, his or her  
27 family, and any health care provider acting in connection with such  
28 patient under this article, except that such information may be  
29 disclosed to a governmental agency as authorized or required by law  
30 relating to professional discipline, protection of public health or law  
31 enforcement.

32 2. The commissioner shall prepare a report annually containing rele-  
33 vant data regarding utilization and compliance with this article and  
34 shall send such report to the legislature, and post such report on the  
35 department's website.

36 § 2899-r. Penalties. 1. Nothing in this article shall be construed to  
37 limit professional discipline or civil liability resulting from conduct  
38 in violation of this article, negligent conduct, or intentional miscon-  
39 duct by any person.

40 2. Conduct in violation of this article shall be subject to applicable  
41 criminal liability under state law, including, where appropriate and  
42 without limitation, offenses constituting homicide, forgery, coercion,

43 and related offenses, or federal law.

44 § 2899-s. Severability. If any provision of this article or any appli-

45 cation of any provision of this article, is held to be invalid, or to

46 violate or be inconsistent with any federal law or regulation, that

47 shall not affect the validity or effectiveness of any other provision of

48 this article, or of any other application of any provision of this arti-

49 cle, which can be given effect without that provision or application;

50 and to that end, the provisions and applications of this article are

51 severable.

52 § 3. This act shall take effect immediately.
